

You will pass the module when ...

- 1) You have participated in the lectures.
- 2) You have attempted to solve in a meaningful fashion at least 70% of the tutorial questions.  
(The 70% relate to the number of marks assigned to the questions.)
- 3) You have presented your solutions on the board during the tutorial classes at least three times.
- 4) You have at most one unexcused absence from the tutorial classes.
